Dear Tim,

Please find attached cheque in payment of your recent roofing at 10 Donald Street.

Both my wife & myself were very impressed with the crew that you sent over. They did the job with as little interruption of our lives as was possible. The shingling was done in a professional manner and the appearance is excellent. Their clean-up was very good and I have yet to find any nails laying around. Your crew was very friendly and courteous and my wife says she did not hear one word of profanity.

I will be happy to recommend your company to anyone.

Yours Truly,

John Colwell.
